

# DUO FORM

## Soap Dish/Towel Holder Installation Instructions

- Part #: 33300

### Items required for this installation:

- INCLUDED:
  - 1/8" drill bit
  - 4 Stainless Steel #8 Square Head Wood Screws
  - (Adhesive included as well- for peel and stick mounting application.)
- NOT INCLUDED:
  - Drill: We recommend 1/8" bit
  - Square Head Screw Driver
  - Masking Tape or Pencil
  - Silicone
  - Isopropyl alcohol (at least 50% alcohol)- optional for peel and stick mounting.

## Warning:

Caution: This is a towel holder. It is not intended to be used as an assisting grab bar.

## For Peel & Stick Mounting:

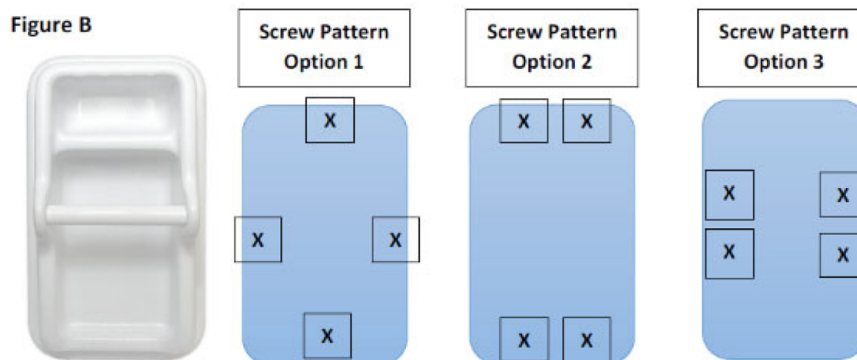

- Prepare the wall for tape by cleaning with Isopropyl alcohol (at least 50% alcohol).
- Remove backing from adhesive tape, on the soap dish/towel holder.
- Press tape firmly with some pressure to affix properly to shower wall.

**Step 1: Locate the mounting position. Find an area where you can screw into perimeter of part and catch a stud in the wall. (See Figure A: mounting flange). On the wall, note the location by using masking tape or a pencil marking the top and one side of the part.**

Figure A

**Step 2: Drill perimeter flange of part where you want to place your mounting screws. (See Figure B for screw hole options.)**

**Step 3: Drill 4 mounting holes in the perimeter of the part. See diagram for hole location suggestions.**

**Step 4: Line up cover using location marks made in step one and mark the mounting holes.**

**Step 5: Pre drill mounting holes**

**Step 6: Apply an adequate bead of silicone to back side of mounting flange, make sure to go around any drilled holes.**

### **Pro-Tip:**

- If mounting screws will be going through a plastic surface you must pre drill that plastic surface
- If mounting in a wet location apply a small bead of silicone to back side of mounting flange, make sure to go around any drilled holes.

**Step 7: Line part up with predrilled holes in the wall. Screw unit in place.**

### **Pro-Tip:**

If part is located in a wet area, go around perimeter of sides and top with a small bead of silicone.
